Directions For Completing The International Student Financial Statement

A Financial Statement is required for every admission consideration at Lincoln College. Incomplete forms will not be accepted, and will, therefore, delay the processing of your application.

In Section II of the International Financial Statement you must include U.S. dollar amounts by year for the time you and your dependents stay in the U.S. Each source of funds indicated must be verified by documentation and signatures as indicated in the Required Verification column. Forms without the required documentation and signatures will not be accepted.

All International Student Financial Statements used to support an application to undergraduate study must be returned to:
