

LINCOLN COLLEGE HEALTH SERVICE REQUIREMENTS FOR FULL-TIME STUDENTS

All full-time students admitted to Lincoln College are required to provide certain health information, which must be submitted prior to entrance to the college. Please use the following checklist to be certain you are in compliance. All forms mentioned below are available on the Lincoln College website:

http://www.lincolncollege.edu/student_services/nursing.htm

The links to download the forms are at bottom of the webpage.

Documentation of required immunizations must be provided by submitting any of the following:

- dates recorded on the **Lincoln College Immunization Report** form; the signature of a physician or school or public health official must be included; and/or
- a signed copy of the high school, health department or physician's office immunization record; and/or
- a copy of official military records.

The **Release of Information** form can be used to obtain records.

Students with medical or religious exemptions should request, from the Health Service Office, a form which is required for documentation of these exemptions.

Students born ON OR AFTER January 1, 1957 must provide:
