Once the students register, they are financially responsible for those courses and applicable charges.

Immediately after registering, students must go to the Student Accounts Office and Financial Aid Office.

Students must have all tuition and fees paid no later than the first day of the session for which they are registered, unless prior arrangements have been made. Students failing to meet this deadline will be assessed a \$75 processing fee for monthly payments.

Students are responsible for reading and understanding this information. All students must abide by these policies without exception. Students are ultimately responsible for course selection and ascertaining that all graduation requirements have been met.
