

Residential Life

What to Bring

LCN apartments are fully furnished. If you have a favorite chair, floor lamp, or end table, you may bring it with you, but the major pieces are issued by the College. The bedrooms and central living area are carpeted, and the bathrooms and kitchen have vinyl flooring. Each bedroom is furnished with a twin size bed, desk, and dresser. Kitchens are equipped with a stove, refrigerator, dishwasher, and microwave. A washer and dryer are also provided in each unit. The layout of the central living area varies from building to building; each apartment is guaranteed to be furnished with a sofa, one armchair or a loveseat.

The following is a list of items you may want to consider bringing with you.

Cooking

Kitchen Supplies

Since the LCN apartments have fully equipped kitchens, students prepare their own meals rather than eating in a separate dining facility. Your kitchen will have a microwave, stove, dishwasher, and full-sized refrigerator. You will need to bring your own dishes and kitchen supplies. Of course, the equipment you'll need depends on the kind of cooking you plan to do, but the list below may give you an idea of things you'll find useful. You may want to contact your future roommates before you come to campus and decide who'll bring what. (After all, how many toasters do you really need?)
